Where are your reports??????

Question: if 1/3 of senators and 1/3 representatives showed up to vote on a bill in Congress, what would happen? Probably nothing because there would not be enough people, but there also would not be enough information from the different districts in Connecticut for a consensus of how to vote. That's why we need reports. So, all the auxiliaries get to let us know what they have done, and I know we have done a lot. Everyone has voted and almost everyone has joined the Action Corp. Even if that's all you've done, that's a Report. Even though the deadline is past, I will give anyone a chance if they mail, email, phone in, or give me their reports at the quarterly meeting by April 29 at the latest. So, let's get those reports in or just give me a phone call and let me know what you've done.

Continue to check your emails for alerts from the action corps and keep an eye on any veterans' bills that are coming up that need promoting. A big thank you to all those that have signed up for the Action Corps this year. Have a great summer.
