GREAT JOB EVERYONE-WE’VE RAISED \$1000 AS OF 10/15/22

A special thank you to PDP and National Secretary/Treasurer Ann Pantelakos for her donation of \$500.00.

We are sure to make if not exceed our goal of \$1500.

Continue to send your donations for this incredibly special project to our department treasurer or donate on MALTA. Our department will get credit regardless of how the donation is made.

Make sure you send in your report on this project to both Myself and Kate Fitzgerald the Scholarship chairman.

Remember to reach out to the Art Departments in area schools to see if they have any entries. You may find all applications and details in MALTA under Scholarships.
