Flyer #1 August 2022

National President Jane Reape has chosen a scholarship program as her special project. She wants to raise funds to be put into escrow so students can receive scholarships into the future.

This year she has added a new segment to Patriotic Art and has chosen this as her special project.

3 D ARTWORK, the work must be no more than 18 inches high and weigh no more than 5 lbs. Jewelry is not acceptable, all other forms of artwork will be allowed.

I've set a goal of \$1500 for this project.

Please send your donations to department treasurer and earmark it as 3 D ARTWORK.
