

MEMBERSHIP FLYER #1
AUG. 2023

ACTION

It's that time of the year again. Have you mailed your dues renewal yet? The sooner this is done, the sooner you will reach 100%. As a Department, we always strive for 100% by Dec. 31. Hopefully you will set this as your goal also. A membership packet will be mailed to you if you were not at the Quarterly meeting. Inside this packet are updated membership forms. Please get rid of the old ones and use the ones in the packet. Leave membership applications in your canteen or keep some with you. Send out invitations to join to the spouse of the Post member – could be that it's all they need to join.
