What an effort – we are so so close!!! We have three more Auxiliaries that have joined the of list of 100% or more. Who will be next? Is it too much to dream of all 44 Auxiliaries to be on the list?

Department is now at PAID 99.58% and CURRENT at 98.76%. **We only need 15 more members for PAID and 29 for CURRENT (the 29 will replace the deceased members).**

Good luck and keep up your fantastic effort! I hope to keep adding Auxiliaries to this list.
