#### Video Song contest

Do you know someone who sings the Star-Spangled Banner like a Bird? Or sings an accepello and knows all the notes and words of the Star-Spangled Banner? Then this is to contest them make sure all application forms and registration forms are filled out properly when submitting a video. They have all been distributed, but if you need them, let me know and I will forward them to you. What do you do if you do not know anyone that sings? That's easy, just bring the forms and applications to the schools to the music teachers, and churches that my have any choral groups . Make sure you observe deadlines and have completed forms submitted to your local Auxiliary, the district, and the department, me. If you have any questions or have any problems, figuring out how to do this, give me a call or shoot me an email and I will try to help.
