

VFW AUXILIARY DEPARTMENT OF CONNECTICUT

AMERICANISM

BANDING TOGETHER FOR OUR VETERANS

REMEMBER YOUR WHY

Involving our communities will help promote patriotism among our students, their families, businesses, and community leaders. Reach out to groups like the Boy Scouts or Girl Scouts to perform opening ceremonies or even at your auxiliary meetings.

Almost time for schools to start their sessions, so make sure you reach out to them and encourage flag education. Such as:

How and when to display the flag

How to fold and store our flag

What each of those folds mean

What the stars & stripes mean

If you are the PATRIOTIC INSTRUCTOR in your Auxiliary it is your responsibility to educate your members on how to recite the Pledge of Allegiance. How to understand the VFW Rituals and the Federal Flag code.

All Patriotic items can be found in MALTA under resources AMERICANISM

Let's spread the word

WE LOVE AMERICAN!!
