

VFW AUXILIARY, DEPARTMENT OF CONNECTICUT

Remember your why

Banding together for our Veterans

In recent years, there has been a resurgence of patriotic pride. The U.S. flag can be seen flying everywhere to indicate a symbol of unity. We need to remember the men and women serving in our military and to remember those who have died.

I would like to share a few guidelines.

- 1) A flag displayed on a car should be fastened to the right side bumper, antenna or window.
- 2) If on a wall, the blue field should be in the upper left corner, and it should NEVER touch the ground.
- 3) When displaying an all-weather flag outdoors, there should be a light near it at night, so it is not in complete darkness.
- 4) Above all, when a flag becomes worn, please replace it!!!!

REMEMBER Old Glory has been flying for more than 246 years and will be flying for many, many more years to come.

THANK YOU for showing your Patriotic Pride!!
