VFW National Home Helpline

Do you know of a struggling veteran or a veteran family? This free service offers information, creates connections and gives them hope!

Call 800-313-4200

An experienced problem-solver who cares deeply about veterans and their families will help. They will give them information about the National Home.

The Home is open to families actively serving military personal, veterans, and relatives of VFW and the VFW Auxiliary members. The family can be one or both parents with one or more children. Participating families are welcome to this small-town community where they may live for up to four years as they work with their case manager to set and accomplish major life goals.

Even military families *not* living on the National Home campus can receive invaluable assistance through the National Home Helpline.
