MENTORING FOR LEADERSHIP COURSE: 109

Everyone needs a starting point to learn. Leaders can be that starting point for someone. Others may not be sure that they can be a mentor; show them they know more than they think.

An event to train mentors is a great plan for an auxiliary event. A mentor needs to be taught how much they have to share, so help them.

Using the TEAM approach for Mentoring for Leadership will lead to success.

T – Teach someone what you know and are passionate about.

E – Everyone deserves to find their joy in our organization.

A – Always be on the lookout for the next leader.

M – Mentor all of the time since success is best when it is shared.
