## TABS

### FOR THE SHRINERS HOSPITAL

We have been informed recently that the we no longer have to separate the colored tabs.

We can donate ALL tabs.

Please continue to collect your tabs.

We have collected over 500 lbs. this year so far.

The money received from recycling tabs is used to buy medical & non-medical items for Shriners Hospitals for Children and to help transport patients to the Hospitals.

Report this on your Hospital Report form.

**BE SURE TO MARK THE BAG OR BOX WITH YOUR AUX. #**
