

EXTENSION & REVITALIZATION PROGRAM

“REMEMBER YOUR WHY”

March 2024

“BANDING TOGETHER FOR OUR VETERANS”

It is hard to believe that it is almost time for elections.

Auxiliaries should be having their nominations and elections in April and the installation in May.

District should be holding their nominations, elections, and installation in May at your district convention meeting.

Department will be done Sunday June 16, 2024 at our state convention.

If there is a position you would like to take on any level of the auxiliary make sure you ask someone ahead of time to nominate you for the position you are interested in taking. If you are going to nominate someone think is this someone that will take their position seriously. Are they willing to be mentored? Will they come to meetings or are they just taking the position to say they are an officer?

Let us keep our auxiliaries healthy make sure to send in your installation report to the department secretary after your installation you can put your officers in Malta put the department secretary still needs a hard copy of the report. If you need her to put them in for you make sure to put a note with the installation report asking her to input them into Malta for you.

I want to be able to give all the auxiliaries a healthy auxiliary certificate.
