

EXTENSION & REVITALIZATION PROGRAM

“REMEMBER YOUR WHY”

“BANDING TOGETHER FOR OUR VETERANS”

Department President, Auxiliary Presidents, All Line Officers and Chairman remember we are the ones that sets the tone for everyone else.

- We must be patient.
- Demonstrate the ability to listen.
- Show compassion and understanding, which is a vital tool in problem solving.

District Presidents when making your official visits please be honest so we can help those auxiliaries that need help. Recognize the red flags that lead to problems in an auxiliary. If you are asked a question and you don't know the answer, please tell them you will find out and let them know don't just give a wrong answer.

Remember change can be a good thing we must try new ideas that members may have. Do not just say that does not work and not even try or if you have tried in the past try it again. We want every member to feel their involvement is important. It is good to change, renew and rejuvenate ourselves for the organization.

Remember REPORTS ARE DUE!

Remember be humble and kind to every member.
