Interviewing Longtime Members

Did you know that auxiliaries can win National Awards? Every program has an award that an auxiliary can win, go into MALTA under programs and read about them. **Let me share the Historian/Media Relations Award.**

Most outstanding video interview with a VFW Auxiliary legacy (longtime active) member. Do you have a member that was there when we were Ladies Auxiliary? How about a member over 25 years? How about asking a member their WHY? There are so many opportunities to contact your longtime members, now's the time to let them know your thinking about them and want to hear their memories of the auxiliary.

Citation to every auxiliary that submits a 3-5-minute video interviewing a longtime member. Entry form can be found in MALTA and must be **sent to the department chairman by March 31, 2024, for judging.**

Citation and \$25.00 to one auxiliary in each of the 4 conferences that submits the most outstanding 3-5-minute video interview, the department chairman must sign and send a copy of the completed department winner to national by April 30, 2024, for national judging.

Now's the time to look over your roster and chat with those members. Looking forward to hearing what everyone has to say.
