

VFW Auxiliary, Department of Connecticut

Legislative Bulletin June 2023

Why do we need a Legislative Program?

To help the VFW obtain benefits for our veterans and service members by influencing our legislators to pass bills that provide these earned benefits.

How do we get more information about the Legislative Program?

By having your Aux. Legislative Program Chairperson or member visit the VFW Aux. Web site (vfwauxiliary.org) and click on Malta member resources and report back at an Aux. Meeting on the available information.

What are the VFW Priorities?

That information is available by visiting the web site (vfw.org/advocacy/national-legislative-service) and by being a member of the free VFW Action Corps Weekly.

Any legislative activities may be reported after their completion.
