

VFW Auxiliary, Department of Connecticut

“Never Forget the Difference-you Make,” “From our Roots to Our Branches, Extending Service to our Veterans.”

Chief of Staff, Extension & Revitalization

Report Form 2024-2025

As this year’s Chief of Staff, I’d like to try something different in relation to how the auxiliaries report on this program, according to national there is no year end report of questions to answer, therefore I’m asking each auxiliary one question that will have a two-part answer.

On your **October Report** please give me an answer to this question! Attach a separate sheet with the details. (Auxiliary name, number, district & division)

WHAT ARE THE GOALS OF YOUR AUXILIARY THIS YEAR?

On your **April Report**, let me know if those goals were met? Attach a separate sheet with the details. (Auxiliary name, number, district & division)

During the year, I will give you tools to assist with those goals and be available along with your district president to assist in anyway needed.
