VFW Auxiliary, Dept of CT.

July 2024

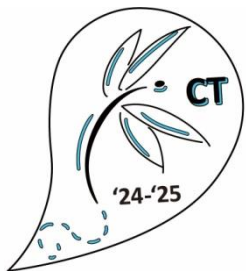

*Reminder: National dues have increased by \$5*

Your auxiliary must send \$13.50 for annual dues to our Dept. Treasurer

**Don't we all like \$\$\$\$ in our accounts?**

Please consider asking your annual members to become Life Members. Not only does this eliminate collecting dues, but National sends your auxiliary \$3.50 annually for Life Members.

We are having a contest for Life Membership transfers. In each division we will be giving the first auxiliary in each Division that transfers 10 annuals members to Life members \$100.
