

VFW Auxiliary
Department of Connecticut
Youth
Bulletin #3
October 2024

It's Autumn and the leaves are changing colors and starting to fall. Get in touch with your Youth Groups- the youth in your families, neighborhoods, church groups, the children of your auxiliary members. Help rake up leaves.

Start them now learning how to volunteer.
They will need to do community service hours when they get to high school.

Sponsoring & working with Youth Groups

Sponsor a youth group and have youth become involved in any of our Programs, including activities to honor our veterans around military holidays or include our youth in helping out our service members and their families.

Youth Groups Supporting Our Veterans Citations

This Citation is one way to acknowledge our youth groups for what they do in honoring our veterans. Whether it be a service project or helping out with a service member and their family.
