

Hospital Bulletin Three

Needs Lists from Our Hospitals

Connecticut Valley Hospital – Laurie Allen, Chairperson

Body wash, Shampoo, Deodorant, Toothbrushes- individual please.
Toothpaste

Rocky Hill Veterans Home – Judith Barnes, Chairperson

Judy would like to have members contact her to be “anonymous shoppers”. The Secret Santa Program with which has been approved again this year is part of this.

There are three ways to shop/participate in Secret Santa. 1) You can shop from a Secret Santa Card. This is a specific list of items the Levitow HCC veteran asked for. (Each veteran is given a code name so no one knows for whom they are shopping; and, conversely no veteran knows their shopper.) 2) You can shop from the general Holiday list. This is a list of items that will benefit veterans on the entire campus. 3) You can send a donation, earmarked RH Secret Santa to Department Treasurer Anne Philippon. This allows Judy to purchase items requested for which no one else has done so.

To date, Judy is waiting for the approval of the general list.

VACT Health Care System – Kathie Fleischauer, Representative West Haven, Doris Laferriere, Representative Newington
