*"Never Forget the Difference You Make"*

*"From our Roots to Our Branches, Extending Service to our Veterans"*

Our Auxiliary roots are our history, our traditions and our commitment to helping Veterans. We MUST start looking in a new direction for members to keep our roots strong and our branches growing. Include family members, have a table at your fundraisers, dinners, breakfasts, Church, Civic Organizations, local Colleges campuses or Universities and at community events in your town. Show what we do for Veterans and the Community. Order online Membership Brochures and Fact Sheets. Copies are also available on MALTA.

Use social media, word of mouth and personal contacts for potential members. They are everywhere!!!! Keep an eye out!

Keep this QR code at your fingertips to quickly access fillable membership applications, What We Do, the Fact Sheet and Auxiliary Locator – this is our “Recruiting Tool”!!!
