

# V.F.W. Auxiliary, Department of Connecticut

Bulletin #1

July 2024

This year, I will be helping you understand the diverse types of social media that are out there to help you communicate with your members and other groups.

I only have two major goals this year:

- 1: to have 75% of all auxiliary posts to have a Facebook page set up
2. To receive at least one history from the auxiliaries and/or District from each division

I am hoping that members will send me pictures of events, flyers, newsletters, and special events held during the year. I am also asking if you are with the Department President, Kathy, that you send me any photos that you take.

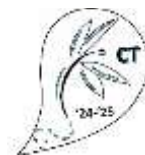

My email is: [tiggerhawk2004@cox.net](mailto:tiggerhawk2004@cox.net)

Bone up on your history about the VFW as I will have quizzes, and prizes throughout the entire year.

Let us **“Make a Difference”** this year by sharing our history with all the other members. Good luck and if you need any help, please contact me at any time.

*Department theme- “Never Forget the Difference You Make”-dragonfly*

*National theme- “From Our Roots to Our Branches”*
