Re: Saturday July 13, 2024, 10:00 A.M.

Edward A Norton Post 7666, 57 Mill Rd. Guilford Ct. 06437, 203-689-5068 if directions are needed.

Please join us for the first quarterly meeting of the 2024-2025 program year. The chairpersons will be available to discuss the objectives for the national programs.

Following last year's format, the quarterly meeting will be first and begin at 10:00, then lunch and the council will begin at 1:00. Anyone is welcome to attend both meetings, however only members of the council can vote during the afternoon meeting. Should you have any questions, please speak with someone on the council and they will bring your concerns/questions up at that meeting.

The quarterly meeting will begin at 10:00 a.m. and at 11:30 a representative from President Kathie's special project APK Charities will speak about this very special program.

Department Commander Stan Borusiewicz has been invited to attend the council meeting as well.

Raffle items are needed for the finance table. Lunch will be provided, and it will be buffet style, the cost for lunch will be \$15.00 per person.

Looking forward to seeing everyone as we continue the mission of "unwavering support for uncommon heroes".

Grace Kelly-VFW Auxiliary Department Secretary
