

V.F.W. Auxiliary, Department of Connecticut

Bulletin #6

January 2026

AMERICANISM

It is finally Here!!!

I hope everyone had a wonderful Christmas and holiday season and a very happy new year celebration. Now we need to get back to work. We only have 179 days until July 4, 2026. I know there will be many celebrations all over Connecticut and I am hoping to attend a lot of fun. Do not forget to let me know if you are hosting some type of event. If you are not sure whether your town is involved, go to CT 250.org to check for your town listing. If you cannot find it, give me a call as I have the list of all committees in Connecticut. Good luck with your planning and keep me in the loop.

Are you submitting an entry for the national program award for

Do you have a form? Do you need a form? This year the award will be based on the most outstanding event or activity displaying or educating others about proper ways to display and respect the American flag. If you do not have a form, I will have them at the January quarterly but remember they must be back to me by March 31.

- Don't forget, February is Salute to Veterans Month
