

Bulletin #1
June 2025

VFW Auxiliary, Department of CT
Americanism

What two words are included in the word, Americanism?

I CAN- respect our flag

I CAN- promote flag education with our youth

I CAN- wear a red shirt on Friday to remember those deployed

I CAN- promote and participate in patriotic holidays

I CAN- promote awareness of our POWMIA's and help bring home their remains

I CAN- help celebrate 250 America

That's right! America is 250 years old in 2026. Celebrations will be going on across the country. Go to ct250.org and you can find out if there is a committee in your town. If not the website can help you put one together with your town. Let's get involved, let's get excited about our country. Let's promote patriotism and love of our flag and country. Don't forget your reports, I hope to hear about many events and celebrations throughout the year. Want to know more about the Americanism program? Scan the QR code in the bottom right-hand corner. It will bring you to the national Americanism program and give you some ideas on how to make your program successful.

And remember those two little words, I CAN!
