

VFW AUXILIARY DEPARTMENT OF CONNECTICUT
HISTORIAN

September 2025

Judith Barnes, Chairwoman

How does a Media Chairperson determine what is newsworthy?

Ask yourself these questions about the topic:

Does it involve local people?

Does it interest non-members?

Does it help the community?

Is it timely?

Is it unique and new?

If you answer yes, this an opportunity to highlight your Auxiliary's hard work and accomplishments!

Sharing positive news about how the Auxiliary assists and improves the lives of Active Military, Veterans and their families is paramount to the Veterans of Foreign Wars existence.
