

VFW AUXILIARY DEPARTMENT OF CONNECTICUT
HISTORIAN

April 2026

Judith A. Barnes, Chairwoman

“Grateful Hearts Serving Our Veterans.”, and
“From Sea to Shining Sea Honoring Veterans Who Keep Us Free.”
was this year’s rally call.

Our goal as Historians was to record the:
who, what, where, when and why of the Auxiliary.

Our mission as Media Relations representatives was to keep members and the
community informed about our National Programs, our local projects and events.
Our challenge was to educate the community about who we are, what we stand for,
while inspiring patriotism, and increasing membership and participation

Everyone’s newsletters, bulletins, photographs, electronic posts, radio & public
television announcements were amazing!

Awesome job! Thank you!

I can’t wait to see the Historian books!
