BE AN ADVOCATE, BE INFORMED, BE ENGAGED

One of the main objectives of the Legislative Program is to improve the lives of our veterans, service members, and their families through advocacy.

This year I will give you the tools to become powerful voices in advocating for veterans, service members and their families.

Join us on July 12 at 10:00 a.m. at the VFW Post 6123 in Windsor Locks for Program Kickoff, here you will receive information regarding this and other programs, get handouts, ask questions and begin learning how to be an advocate.

Amy Jo Lett the national ambassador says “every time we say **“Thank you for your service”** we are acknowledging the sacrifices made by veterans and their families. But we can go beyond words and translate gratitude into action. The Legislative Program empowers us to advocate, lets explore further on how to get not only our members to advocate for veterans, but our veterans themselves to get involved.

Looking forward to a great year of “Serving Our Veterans”.
