Flyer # 7  
Grace Kelly Chairperson

As we close out 2025, now would be a great time to show our gratitude to our legislators for all the work they've done in the past year for our Veterans. We've asked a lot of those individuals in office this year when it relates to Veteran issues, lets show them we are grateful for everything they have and continue to do.

**Gratitude Days:** A time where your auxiliary can establish a specific date to contact your legislators with a message simply saying **THANK YOU**.

How about bringing in a youth group to help create the cards?

Have a craft workshop after your meeting so your members are involved.

Get your community involved, hold a question/answer forum and at the end have thank you cards available to be signed.

Whatever way your auxiliary chooses to say **THANK YOU**, make sure you report it and send me pictures.

Our Legislators need to know we appreciate their time and commitment to our Veterans & their families.
