On November 5, 2025, the CT. VFW held a podcast to discuss various topics concerning veterans. One of those topics was pending Legislation and Department Legislative Chair James Matthews spoke about various areas that our legislators have yet to pass.

I did a little research on the VFW website under Advocacy and found over 30 bills that are currently in progress. Below are a few that I found interesting and thought perhaps you might want to explore further and then reach out to your legislators.

H.R. 3123 Ernest Peltz Accrued Veterans Benefits Act.

H.R. 3627 Justice for America's Veterans & Survivors Act of 2025

H.R. 3833 Veterans' Caregiver Appeals Modernization Act of 2025

The list goes on.

Please review these and other bills currently pending and reach out to your legislators, let them know you are a concerned advocate for Veterans & their Families.

There is much work to be done, please stay on top of your legislators.

Thank You.
