We mobilize our members to actively serve veterans, military families, and the community through partnerships with organizations to provide hands-on service and leadership.

A – Advocate for Veterans, family members and the community

We advocate for veterans', family members and the community needs by raising awareness, providing support services, and connecting them with essential resources.

R – Reach the Community

We reach beyond our Post and Auxiliary walls to build partnerships with schools, shelters, senior centers, and local organizations.

C – Care with Compassion

We serve with compassion by supporting those that are hospitalized, assisting families in need, and uplifting those facing hardship.

H – Honor Through Service

We honor the sacrifices of our veterans and community by giving back through meaningful outreach, volunteerism, and remembrance activities.
