

# VFW AUXILIARY DEPARTMENT OF CONNECTICUT

## HISTORIAN

February 2026

Judith Barnes, Chairwoman

Have you considered writing an Auxiliary Newsletter?

It is a wonderful way to:

- **Stir the interest of those who do not attend your meetings.**  
They may have forgotten when you meet. Information about your meeting topics, exciting projects and events may encourage members to attend!
- **Stay connected with those who are unable to attend.**  
It lets members know they are valued, remembered and that Auxiliary members want to stay connected.
- **Remind members of upcoming event dates and times.**
- **Publish photos and antidotes of past events.**
- **Suggest projects that can be done at home.**  
Making items for a hospital project, contacting legislators.
- **Way to encourage new participation and projects.**
