

VFW AUXILIARY DEPARTMENT OF CONNECTICUT
HISTORIAN

April 2026

Judith A. Barnes, Chairwoman

SPRING is a time for new beginnings,
a time to reflect on the past Veterans of Foreign Wars Auxiliary year.

Did you utilize all the tips and information you were given this year?

Were your eyes awakened to new ideas, and mediums?

Did you wish you tried a new medium and did not?

The beginning of a new reporting season is fast approaching!

Now is your chance to start that Historian's book you have always wanted to make!
Start a newsletter for your Auxiliary and recognize members for their participation!

It is time to practice making those reels for Facebook!

Now is the time to *'Be the Lighthouse in Someone's Storm.'*
