**Have you ever heard of the VFW Military Appreciation Program (MAP)?**

The VFW Military Appreciation Program (MAP) is the outstretched hand between the local VFW and military community, offering support around the world. It is designed to help provide a bridge over the hard times and help our veterans get back on their feet in times of need. Since 2005, MAP has sponsored events supporting service members and their families. Other tangible means of assistance include supporting units during all phases of deployment. In addition, The VFW has financial grants that are available to help with events held by our Auxiliaries and Posts to support and recognize our troops. Never forget that the troops serving today, along with their families, will be the next wave of members!
