Reminder Reports are due April 15th

Please fill out your membership report by April 15th. This is the final report for this term. It is very important you do reports and send them in. The VFW needs our numbers when they go to fight for Veterans rights on capital hill.

Our Department President needs our information when she does her year end report for national. And if you did the work why not report it and get credit for it and have a chance to win an award at our state convention in June.

A report that is all no's is not a report if you did nothing else did you read the fliers at your meeting or listen to the chairperson speak at quarterly meeting? If yes put that on the report.

**As of this report we need 60 members to make our 100%
With everyone's help we can make this happen.**

Remember anyone not paid by the end of June is no longer a member and would have to reapply if they wanted to continue. So now is the time to really push to get unpaid members paid or recruit new or reinstate members.

Send membership reports to Kim McCarroll either by email to kimdeptofctaux@gmail.com or mail them to 23 Philo Curtis Rd, Sandy Hook, CT 06482
