

Department of Connecticut VFW Auxiliary
“Soaring for Our Veterans”, “Serving America’s Heroes”

Membership Chairman: Grace Kelly

Flyer #1

This is the **changing of the guards (chairman)** flyer.

SO, WHAT HAPPENS ON JULY 1, 2026??

You just keep going, your treasurer will send out the first round of dues reminders to your current annual members.

Your auxiliary will set goals for the upcoming year, perhaps you will hold a membership drive, or make an annual member a life member.

Throughout this year I will be sharing information, giving suggestions and assisting your auxiliary in reaching not only your auxiliary membership goals, but our department and national goals, as **MEMBERSHIP** is how this organization on **ALL LEVELS** thrives.
