

July 18, 2026, Membership Presentation.

Our Department Presidents' symbol is the hot air balloon, so I'm creating a cardboard replica to use as a guideline for reaching membership goals, the stars will represent the milestones we reach throughout the year. National's goals are as follows:

1st Down 95% by November 30, 2026

2nd Down 98% by February 28, 2027

3rd Down 100% by April 30, 2027

Touchdown 102% by May 31, 2027

Can we as a department meet these goals? I predict the answer is **YES**. Let's fill the balloon with white **STARS** for President Lynn.

In addition, staying with National President Donna's football theme, I have #1 Go team napkins that I'm asking 32 members to take one and work on the following incentive this year:

Commit to recruit **one** member and mentor that member throughout the year. Bring to auxiliary, district and department meetings and functions. Ultimately bring to the department convention in June of 2027. I'm also asking for a detailed report on how they recruited/mentored this new member.

This is **incentive #1** and the winning member & recruited member will receive **\$50.00** each at our department convention in June 2027.

Ultimately 32 new members will attend the 2027 Department Convention,

Grace Kelly-Membership Chair 2026-2027
