

Legislative

This year we will be concentrating on three areas of focus. The first one is something that you probably have already done:

Joining the Action Corp– this is a very simple and easy registration at the vfw.org site. In my next bulletin, I will explain more about this site.

The next goal is **contact with our legislators**. Whether it be phone calls, email, or in person meetings, it's important for us to keep our legislators aware of what we are doing and why.

The last and most important is our **VFW Priority Goals** for the year. As soon as they are out, I will get them to you.

Let us rally round the VFW and Auxiliary and support our veterans and their issues throughout the year. Always remember to be courteous, polite, dress well and practice your 5W's. Good luck in your program and if I can be of any assistance or help, let me know. In the coming months, we will delve into more of the issues that the VFW wants us to participate in and support.
