Invite New Members, Include Current Members, Invest in the Future of the Organization, that's what National Ambassador Kristin wants the auxiliaries to work on this year.

"How do you include your current members"?

Particularly those that don't attend meetings. How do your members know about your meetings, fundraisers, post & community events?

Some auxiliaries send out monthly newsletters, while others email the agenda and minutes from their meetings. We all send out annual dues' reminders, right?

IS THAT ENOUGH? I SAY NO!! All our members have something to offer: Some love to cook, some like to make raffle baskets, some like to do crafts. Some enjoy photography and social media. We need to find out what our members enjoy and then get them involved.

Whether it's for one hour or an all-day event, everyone belongs for a reason and we should try our best to include **ALL** our members as much as possible.

Thank You, any questions, please feel free to contact me.
